New Price Sheet on JOYCE JACKS

Enclosed is the new Discount and Price List for Joyce Jacks. It is effective March 27, 1946 and replaces the former price list effective January 15, 1942.

This adjustment of prices is in accordance with OPA Order No. 593 under RMFR 136.

The enclosed new price sheet also shows for each type of jack the new discount for parts applicable to the prices shown in the Joyce Jack Parts Catalogue No. 111.

If you have need for additional copies of the new Joyce Jack Price Sheet, kindly let us know so that we can promptly comply with your needs.

We appreciate your consideration of Joyce Jacks and assure you of our constant desire to be of service with Joyce Jacks.

Sincerely,

Huston Brown
President

ANNOUNCING

THE JOYCE LIFTMASTER NU-HYDRO HYDRAULIC JACKS

"A good workman is proud of his tools" ... and JOYCE has always built for the good workman. JOYCE Jacks are designed for the man who knows tools; JOYCE offers a quality jack for every purpose, with good looks, powerful performance and long, economical life.

The new JOYCE LIFTMASTER NU-HYDRO HYDRAULIC Jacks reflect this standard. Their forged steel bases, instead of cast iron, eliminate leakage, precision ground tool steel is used for the pump pistons. The bronze guide bearing insures smooth operation, rigidity and long wear. They are engineered, designed and streamlined for utility. These superior features, along with the best known jack construction at every spot, mean two major selling points:

Powerful, dependable performance. Nothing to go wrong .. maintenance nil.

Make sure that those who come to you for dependability get it, in JOYCE Jacks.

Our bulletin and latest price lists are enclosed. We have additional copies of these bulletins for your salesmen and customers ... send in the coupon at the bottom of this letter. Production on the lighter-capacity jacks is now well underway ... others will be available in about 30 to 60 days. Place your order today. Our plant is producing to capacity, and our sincerest pledge is now, and has been since 1873,

QUALITY IN JOYCE JACKS

Huston Brown
Huston Brown, President

Important Announcement . . .

OUR ENTIRE PLANT will not operate, except for essential maintenance work, for the three-week period of July 13th through August 4th, because of the effects of the Coal Strike and to allow for vacations. All departments, both factory and office, are included.

This will enable our entire personnel to have their vacation period at one time, following a procedure which has become a custom in many industries.

To prevent any inconvenience, therefore, this advance notice is given so that proper plans can be made by your organization at this time and so that your requirements can be adequately safeguarded.

Our entire personnel express their sincere thanks for your cooperation.

Very truly yours,
THE JOYCE-CRIDLAND CO.
